Dear Parents and Educators,

Aspire Speech, LLC is providing free speech and language screenings completed by a licensed speech-language pathologist (SLP). A screener gives the SLP a brief glimpse into the child's abilities, which helps determine whether or not a full evaluation is warranted. A screening takes roughly 10-20 minutes to complete.

If you would like your child to participate in this screening, please sign & return this form to the front desk as soon as possible for a screen to be scheduled.
